

CAG Meeting #1 Summary

Stakeholder Involvement Plan

Purpose

- Evolves as a living framework for stakeholder involvement
- Identifies roles and responsibilities of project participants
- Establishes timing of stakeholder activities
- Sets ground rules for participation
- Documents CAG activities

Community Concerns *Problem Statement*

“The transportation-related issues at Barrington Road and Jane Addams Memorial Tollway (I-90), within the study area, to be addressed by this project are inadequate vehicular access on and off I-90 and Barrington Road, the inability to accommodate for current/future traffic needs, and provide for bicycle/pedestrian opportunities and transit development. In addition, emergency vehicles are currently unable to travel to and from area medical facilities in a timely manner.”

Community Advisory Group Meeting #1 Results
